Comments from Artists About our 2016 Show

"The show was wonderful! Everyone was so helpful! The volunteers were great! Thank you for giving me the opportunity to show my art. I sold 2 pieces from my portfolio!" D. Nungesser

"Congrats on another spectacular show! I can't think of anything that needs to change. I like the prints in their new location! Everything at intake and pick up are smooth as ever... Love seeing my friends and always have a ball at the opening! Thanks to all!" B. Smith

"Here's feedback from a 5-year participant who's very grateful to have this show available: This show has been smoothly run and well-organized every year since its start 5 years ago; I think that in 2016, this was even more true than before. And the volunteers who help carry artwork are wonderful. I love the fact that the resulting monies go to local charities. And I love that all the volunteers are so pleasant to work with. Keep up the good work!" C. Swatton

"I think the Art Show should be open to the public on Labor Day as well, it would bring in additional people who don't have to work that day, and additional sales. With all the time and effort it takes to put on the show, why not extend the extra day. The artists working outdoors during the show should be in a visable place, somewhere in the courtyard by the entrance to the show. Or, even inside the church." D. Cuttino

"This year's art show was Terrific!!! To all committee members that put this show together and worked for months to make it a great success, I sincerely thank you. From the very first email message about Canterbury Art Show, registering the art pieces online, submitting work to be juried, receiving a congratulations that my art was accepted, donating a painting and fulfilling my financial obligations were all very easy to accomplish on your website. The delivery and pick up of artwork is so easy for the artists. Your record keeping has been great! Most of all, the artists reception was wonderful and the tasty trays of food were really good." D.
